

Why STONEfaçade®?

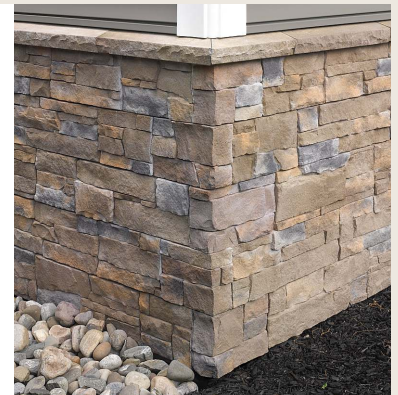

STONEfaçade delivers the beauty and craftsmanship of natural ledgerstone in an affordable and easy-to-install panelized system. When paired with our premium wrap around corners you can create a high-end appearance that faithfully replicates the look and feel of real stone.

REALISTIC STONE APPEARANCE

- REPLICATES THE BEAUTY OF NATURAL STONE

Hand Crafted From Real Stone	Most realistic look possible
The Most Unique Panels	Virtually no repeat patterns
Colorized by Hand	Every piece is one of a kind
Wrap Around Corners	Unique one-piece design creates thicker and more realistic stone appearance

FASTER AND EASIER INSTALLATION

- NO SPECIALIZED LABOR REQUIRED

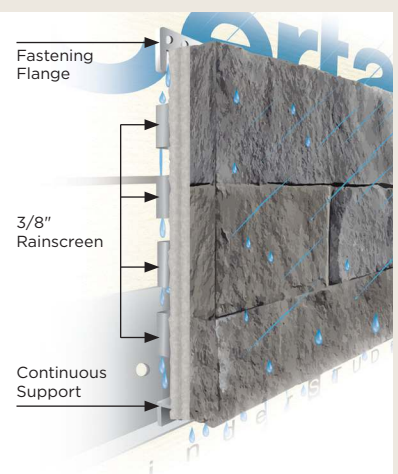

Mechanically Fastened Panelized System	Installed easily and quickly without the need for masonry skills or tools
Lightweight Design	Up to 33% lighter = no need to hit a stud and less installer fatigue
Multiple Panel Lengths	Less cutting & easier to stagger courses
Own The Whole Project	No need to sub out and lose profit

SUPERIOR DESIGN & PERFORMANCE

- MORE DURABLE AND LESS CALL BACKS

Patented Fully Integrated Rainscreen Design	3/8" air gap mitigates moisture issues that can occur with masonry applications
Reinforced Panels	All metal insert acts like rebar adding strength & limiting breakage
Best in Class Packaging	Easier to handle on the job site and less breakage in transit
Class A Fire Rated	Highest level of protection and compliance against strict building code

**Restoration Millwork
corners offer a great
finishing touch.**
